Some of our cocktails use food-grade dry ice for theatrical effect. Dry ice must **never be touched, eaten, or placed directly into the mouth**. The drink should only be consumed once the visible fog effect has fully dissipated and **after a member of the twisted team confirms it is safe to drink**. By ordering a dry-ice cocktail, guests acknowledge these safety instructions and agree to follow the guidance of our team for safe service and enjoyment.

THE STORY

LONG BEFORE THE ROADS WERE LIT AND THE LAWS WERE WRITTEN,
A SMUGGLER TRAVELLED THE OLD COASTAL ROUTES FROM
BOURNEMOUTH TOWARD LONDON, MOVING QUIETLY AND ALWAYS
ONE STEP AHEAD OF THE LAW.

HIS CARGO WAS PRECIOUS: BARRELS OF RUM, WHISKY AND WINE
TRADED THROUGH SHADOWED PORTS AND CARRIED INLAND BY
MOONLIGHT. EACH CASK HAD A STORY, SHAPED BY SALT AIR, SEA
SPRAY AND THE LONG ROAD NORTH. ON ONE SUCH JOURNEY,
CAUGHT BY A STORM AND IN NEED OF SHELTER, HE TURNED
INLAND AND FOUND REFUGE IN SALISBURY.

THAT NIGHT, A SINGLE BARREL WAS CRACKED OPEN, WARPED FROM
TRAVEL AND HEAVY WITH AGE, AND SHARED AMONG THOSE WHO
OFFERED WARMTH, FOOD AND SILENCE. IN RETURN FOR THEIR
HOSPITALITY, THE SMUGGLER LEFT BEHIND SMALL TOKENS FROM
HIS TRAVELS. OBJECTS, CURIOSITIES AND FRAGMENTS OF DISTANT
PLACES BEGAN TO GATHER OVER TIME.

TWISTED BARREL IS BORN FROM THAT TRADITION. A PLACE WHERE
EVERY DRINK CARRIES A PAST, AND EVERY ARTEFACT ON THE WALLS
TELLS A QUIET STORY OF THOSE WHO PASSED THROUGH BEFORE.
